

2023 Anchor District Project "Anchors - Action for Others"

We have partnered with the Coalition for the Homeless of Central Florida, donating items that will support the men, women and children with items that will help make their stay with the Coalition as comfortable as possible. There will be 200 drawstring backpacks, with the Anchor logo on them, for the Anchors at Convention to decorate. Once they are decorated, you will fill the backpacks with the items you previously collected and brought to Convention. You will be notified in advance of the items to bring.

A representative from the Coalition for the Homeless of Central Florida will come to collect the filled bags backpacks

The Anchors would love to have the participation of the Florida District Pilots for their Anchor Convention project. If you're able to donate, please bring items to Fall Council, marked for Anchor. Or if you'd like to make a cash donation, make the check out to Florida District Anchors, with a note for the Anchor Convention project, and mail to Missy Ridgway, 79 Pecan Pass, Ocala, FL 34472. Some of the items requested are: socks, juice boxes, blankets, toothbrushes and toothpaste, bug spray, water, cereal bars, fruit cups, shampoo, soap, lotion.
